FALL FOR THE LIBRARY

Join us at the library this fall for the many programs and opportunities that we offer.

- ⇒ Did you know that there are board and card games available to play at the library? Just ask at the desk, and we'll check one out for you to play here.
- ⇒ There are lots of puzzles available in the library for people of all ages: from the simple wooden ones to more difficult ones with 24, 48, 100, 200, 500, and 1000 pieces. Check the kids' area carefully (those with more pieces hide among the simple ones) and also check the adult area for the harder ones. Look for puzzles left out that have been started that can be added to by anyone!
- ⇒ Can you hear music? If not, check out some music CDs and start listening! There are several kinds of music available in the children's area and lots of variety in the adult section as well.
- ⇒ Check the calendar on the back for some special programs. One new one is Monday's Preschool Fun Time—it's a bit more structured than Playtime was, but not as much as Story Time. Should be perfect for preschoolers!

We hope to see you soon!
