

Curbside Delivery

The Jay County Public Library is re-launching Curbside Delivery starting Monday May 5, 2020, in order to meet the reading and viewing needs of our community. How will this work? It's simple -

- Call the library (260-726-7890) between 8:00 a.m. and 5:00 p.m. Monday- Friday, email (fax@jaycpl.lib.in.us), or send (Jay County Public Library) a message on Facebook to place your order or to place holds from your Evergreen account.
- Provide your name, your library card number, the titles of items you would like, and your telephone number.
- Our staff will retrieve those items and call you back when they are ready for pick up.
- When you pull up out front of the library, give us another call and we will be right out with them!
- Please have your trunk open, or an unoccupied seat available for JCPL staff to place your items on.
- All returning items must be placed in the drop-box.

Please keep in mind - Not all materials will be available; depending on amount of requests, available staffing, and the time of the request, the items may not be available until the next business day. Normal item limits still apply.

-Also, patrons may still place holds on items, and simply need to call the library, Facebook message, or email to arrange a pick-up time.

(see the video tutorial on Facebook to learn how to place a hold on the Evergreen Website)
