COVID-19 UPDATE FROM JAY COUNTY PUBLIC LIBRARY DIRECTOR

Like many in our community, the Jay County Public Library staff and Board of Trustees have been watching the public health crisis posed by Covid-19 in Jay County and throughout Indiana. In light of how the pandemic has progressed we are trying to make decisions that are in the best interest of the safety of our staff and patrons.

In light of this, we are making a few adjustments to some of the services enjoyed by our patrons. First, all in-person programming (with the exception of our Whoville event on December 3) has been suspended. Second, all meeting room space for the public is closed. And, third, patrons must wear a face covering while in the building.

We are taking these steps in order to do our part to help stop the spread of Covid-19 in Jay County. Slowing the spread now only increases our chances of avoiding having to close our doors completely to the public as we did this spring.

I invite those who are unable to wear a mask to take advantage of Curbside Delivery. We can still help all patrons with copying, faxing, printing, and scanning needs. All it takes is a phone call to the library and we will be happy to help you.

We understand these steps may pose an inconvenience to some, and I thank you for your understanding during this time.

Please contact me with any questions or concerns at (260)726-7890 or email me at ehinderliter@jaycpl.lib.in.us.

Eric Hinderliter, Director
