

Drop-off diagram—library parking lot

Enter the library drop off zone (area marked with X) from **High Street ONLY**—stay to the right as you enter the area. Pull all the way up in the curved-in area, as a line will form behind the first car at the X. KiPS staff will be outside to direct traffic and to walk with your child into the building. If you wish to use the library while your child is in KiPS, please drop off your child, and then you will have to circle the block to enter the parking lot (or park in the church lot). This will avoid upsetting your child with separation issues.

PLEASE ENTER THE DROP-OFF AREA ONLY FROM HIGH STREET!
