

NEW PROGRAM FOR GRADES K–2 :

Crazy 8s Math Club

Crazy 8s is a math club unlike any before it. It's a collection of novel, high-octane math activities that will appeal to a wide range of kids, not just the future math-contest types.

Crazy 8s is designed to show kids that math is a really fun, recreational activity to do with friends during playtime outside of school.

We will offer mischief-making activities that kids will love, such as Bouncy Dice Explosion and Toilet Paper Olympics.

Join us EACH Wednesday starting April 6th at 4:45 p.m. for about an hour for these fun activities. Sign-up is not necessary at this time. Program will be held in the children's area. Supplies are limited and children may need to partner to complete the activities.

EVERY DAY IS EARTH DAY

But our **EARTH DAY Program**
is April 21st at 2:45 p.m.!

Families with children up through
5th grade can join us for
fun-filled activities and crafts
featuring recycled items.

Join us in the
Community
Room

No registration
necessary!
