

QUEEN FOR A DAY

Who deserves to be "Queen for a Day?" Let's give you a hint: she waits on you hand and foot, makes your dinner, washes your clothes, runs you to sports practices, cheers from the sidelines if she's not coaching, helps you with homework and applauds your efforts, loves you unconditionally with her whole heart and soul, and never expects anything in return from you. Give up?

IT'S YOUR MOTHER!!!!

Surprise her on Mother's Day or any day by letting her know how special she is to you and how much you appreciate all the things she does.

Check out these books about mothers to compare how yours stacks up. Maybe you could arrange a trade... like in *Trade-in Mother* by Marisabina Russo!

APRIL SHOWERS BRING MAY FLOWERS

So now that the flowers are here, what do you know about them?

Learn about flowers by checking out some non-fiction books about them.

- 🌸 *Pick, pull, snap! : where once a flower bloomed* by Lola M Schaefer, E571.82 S294
- 🌸 *Wildflowers, blooms, and blossoms* by Diane L. Burns, J582.13 B967

And after you pick a bunch, you can sing this song:

"Sing a song of flowers,
flowers all around.
Flowers that are growing,
growing in the ground
Flowers of each color make
a pretty view.
Red and orange and yellow.
And blue and purple, too."
