APRIL 2018

## Kindergarten Prep School (KiPS)

Kindergarten Prep School is a partnership between Jay County Public Library and Jay Schools. It is a program designed to provide academic and social skills over the summer to children who will be entering kindergarten in the fall.

Any child who is eligible for kindergarten in the Jay Schools for the 2018-2019 school year may register for the program.

The program is free of charge and will be held EVERY Tuesday from 9 a.m. to noon June 5th through July 31st.

Transportation may be provided by the Jay Schools or parents can drop children off at the library.

Children spend time in small groups learning such skills as how to stand in line, raise their hands to

ask questions, participate in group activities, and walk from one area to another. They also practice academics in math, reading, art, gym, small motor skills, and music.

To register, fill out the form received at Kindergarten Round-up or pick one up at the library.

**Deadline to register is May 15.**

## Learn Something New @your library

Learning is something you can do for your whole life, but it doesn't always have to be during school. Use your library to learn fun, new things, like the following:

📖 Go on a "Stay-cation!" Check out a book about a country you'd like to visit. See if you can make a food from that country, try a craft, or just see what it looks like.

To try: *Italian Food* (J641.5945), *Italy* (J945), and *Italy* (DVD 914.5).

📖 Choose a new hobby and check out books or videos that will show you how to do it.

1) Knitting: *Kids Knitting* (J746.432) - also check out the knitting kit in adult area

2) Chess: *Chess Kid's Book of Tactics* (J794.1),

3) Scrapbooking: *Quick & Easy Scrapbook Pages* (771.46)

4) Origami: *ABCs of Origami* (J736)

📖 Pick a new hairstyle or improve upon the one you have. Check out some of the books about braids, how to style hair, how to care for curly hair, and other hair care books.

To try: *Amazing Hairstyle Tricks* (J646.724)

📖 Make some candy.

1) Check out the candy mold kits that are in the adult area and give them a try.

2) Learn how factories make candy with this book: *How it Happens at the Candy Company* by Jenna Anderson (in the junior non-fiction area, J664.153).

3) Use recipes from this book: *The Ultimate Candy Book* by Bruce Weinstein. (in the adult non-fiction area, 641.853)
