HOCUS POCUS EXPERIENCE

Oh no, the Sanderson Sisters have been spotted in Jay County (someone must have lit the Black Flame Candle again!) In honor of the premiere of *Hocus Pocus 2* and to kick off the Halloween season, we will be hosting our first experience event on **Thursday, September 29**. During the experience, you will get to build a Binx to take home with you, brew up some Sanderson fizzing cauldrons, help find Billy's grave, and find out which Hocus Pocus character you are most like! There will also be a meet and greet with the sisters themselves, so beware! In order to attend, **you must have a time-slot reservation and we have limited spots to ensure the quality of the experience. Time slots will be available at 6 p.m., 6:15 p.m., 6:30 p.m., 6:45 p.m., 7:00 p.m., and 7:15 p.m.** So hurry and call or visit the library to reserve your spot to brew up some fun, Hocus Pocus style! Caution: Sanderson Sister sightings at the library may occur.

NEW HALLMARK MOVIES!

Are you a sucker for a good Hallmark movie? JCPL's got your back! We just got in 13 new Hallmark movies so check them out on the new shelf today! Don't see them on the shelf? Ensure that you get your Hallmark Movie Marathon ASAP by going to our website and placing a hold, or ask any one of us to do it for you.

TRUE CRIME UNIVERSITY

This month, TCU will be on **Monday, September 19 at 6 p.m.** and the topic will be hair and fiber analysis. These two components can be key in forensic evidence collections and can place suspects at the scene. With a mixture of hands-on activities, real life examples, and content teachings, this is a session that is both interesting and crucial to criminal investigations. Warning: content discussed in these programs may be graphic in nature and disturbing to some. The goal of this program is to provide those attending with information that will help them understand forensic science in criminal investigations, while also adding elements of true crime. **There is a limited space for this event so call or visit the library to register.**

NEW LIFESTREAM DEMENTIA/ALZHEIMER'S MEMORY KITS @ JCPL!

We are very excited to announce our new partnership with LifeStream Services. They have provided us with three different Dementia and Alzheimer's focused caretaker kits that are going to be available for check-out starting in September. We will have three different kits available: one general kit, one for late stage dementia, and one that is outdoor-themed. Included in these kits are books and resources, games, activities, and more that will help caretakers work with people who are experiencing this disease. Anyone who checks a kit out will also receive a free caretaker resource memory packet to keep. Thank you to LifeStream for providing these wonderful resources for our patrons to use!
